

Sheffield Ale Pubs

This walk was originally done in 2015 and is quite a long one and best being done on a weekend.

The best way to get there is on the 97/98/218/83 bus which all pass the Wagon and Horses.

(Pub1) [Waggon and Horses](#) – this pub has been taken over by True North Brewery and they have split the pub into 2 now, to the right is the more social seating area and to the left is the eating area, the tvs have all gone now and they serve 3 ales, and they also have a couple of keg lines. Seating is also outside at the front of the pub

(Pub2) [Robin Hood](#) – this is an Embers Inn pub and is a large pub with plenty of seating, was very busy last time I went in and couldn't get a seat, very much focused on eating pub and they do have 10 ales as well, there are seating outside the pub as well and there is a car park.

(Pub 3) [Millhouses](#) – this pub has been through many changes recently and serves food and also have 4 ales, they have a pool table and tv screens and also a beer garden and a car park

(Pub 4) [Broadfield](#) – to get to this pub is either a loong walk or catch the bus. Always a very busy pub with one side serving food and the other side more social area, they have a beer garden at the rear as well. They have 7 ale pump scattered around the bar and also a few keg lines.

(Pub 5) [Hop Hideout](#) – this is more of a bottle shop which has a vast range of bottles but they also have 5 keg lines with interesting selection, also you can order in 1/3rds as well. A board is above the keg lines so you can see what is on.

(Pub6) [Picture House Social](#) – this pub isn't easy to spot as the outside is all black and you head down some stairs where there are 3 ale pumps, food is served here and they have a beer garden at the back of the pub.

(Pub7) [Crown Inn](#) – this is a walk over to Heeley and this one serves 5 ales, and have tv screens showing sport, the beer garden in the summer is spectacular with a lot of flowers and its lovely to sit in.

(Pub 8) [White Lion](#) – recently taken over and has 14 ale pumps with a nice range of ales, they have a board of whats on as well, plenty of seating area in small sections

and they have a beer garden at the back of the pub, they have a lot of bands on as well during the week.

(Pub 9) [Brothers Arms](#) – this pub is at the top of the hill and has a splendid view of Sheffield, they have 9 ale pumps and a couple of keg lines, also introduced a board with ale list and price.

(Pub 10) [Sheaf View](#) – a Neepsend Brewery pub and has 8 ale pumps with a few from Neepsend, there is also a board with ale listed, plenty of seating area inside and a beer garden at the back.

(Pub 11) [Cremorne](#) – a short walk to London Road for this pub which I believe has been taken over again, they have 10 ale pump and a varied selection always is on, seating is limited but I seem to get a seat.

(Pub 12) [Beer Engine](#) – this pub has 8 ale pumps and also a selection of keg lines which has recently grown, so expect the unexpected here, they have plenty of seating area inside and outside, they also do tapas food.
