

Sheffield Ale Pubs

This walk is one of my favourites, starting at Punchbowl at Crookes and walking down to Broomhill and ending up at University Arms and then the tram home.

If you click on the pub names it will take you to my website and their page with more details.

Pub 1 – [Punchbowl](#) – this is a Greene King pub and you will get a few of their ales in there, a total of 8 hand pumps and also they serve pizzas in the pub so the smell can be very nice, plenty of seating area and you can get here by the 52 bus.

Pub 2 – [The Ball](#) – This is a Greene King pub but there are 14 ale pumps and you do get a great variety of ales, usually they do themed ales, eg Christmas etc etc. Serves food and loads of seating area and always a busy pub when I go into it, shows a lot of sport on their tv screens scattered around the pub.

Pub 3 – [Old Grindstone](#) – a short walk to this next pub which is also a Greene King pub and serves 5 ales, all are GK as well, they serve food as well, and show sport so on a

Saturday pub crawl I do I like to keep upto date with football scores.

Pub 4 – [Broomhill Tavern](#) – the first of 6 pubs in Broomhill and this one serves 5 ales, you do get a couple of Sheffield breweries in here which is good, food is served and they also show sport on the tv screens, there is a small seating area at the front of the pub.

Pub 5 – [Itchy Pig](#) – Sheffield's newest Micro-pub and serves 5 ales and they also have a few keg lines as well, choices vary every-time I go in and the people are very friendly as well, seating is limited but they are in micropubs.

Pub 6 – [The York](#) – This pub is always busy and didnt get a seat so invented my own by sitting on a stool with no table, 8 ales are here and some are True North brewery and the staff again are friendly, food is served here and they have part of the pub sectioned off for food.

Pub 7 – [Fox and Duck](#) – serving 8 ales and all are Little Critters brewery and they do make some fine ales, showing sport in this pub, they do not serve food but you can bring your own in, also down the road is [Doctors Orders](#) also have Little Critters ales and they do serve food.

Pub 8 – [The Bloomery](#) – they didnt have any ales on, their ale pumps were all empty the keg lines were more towards larger so had to leave. I wasnt drinking diet coke. Normally they do have ales on.

Pub 9 – [Nottingham House](#) – 4 ales are available in here, you can get Landord (Timothy Taylor) they also serve food, pies is on the menu and need to try one of these, plenty of seats as well.

Pub 10 – [University Arms](#) – this pub is owned by the University of Sheffield. Serving 8 ales here and a few keg lines, ales do rotate, they serve food and also have plenty of seating area and a beer garden at the back of the pub.
